Yeah, yeah, yeah

No, no no

Yeah, yeah, yeah

No, no, no

Time, you're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on

Yeah, yeah, yeah

No, no no

Yeah, yeah, yeah

No, no, no

Time, you're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on time

You're never, you're never on
