I dunno why
I can't function
In this dead end
Impossible
I don't know why
It's not that I,
That I don't try,
It's not easy.

I dunno why
I can't function
In this dead end
Impossible
I don't know why
It's not that I,
That I don't try,
It's not easy.

Bury your head, bare your heart,
But I can't I can't I can't I can't.
Bury your head, bare your heart,
But I can't I can't I can't I can't.

Nothing can't stop this creeping fear.
I can't I can't I can't I can't
Nothing can't stop this creeping fear.
I can't I can't I can't
I'm leaving.

Bury your head, bare your heart,
But I can't I can't I can't I can't.
Bury your head, bare your heart,
But I can't I can't I can't I can't.

Nothing can't stop this creeping fear.
Can't I can't I can't I can't
Nothing can't stop this creeping fear.
Can't I can't I can't
I'm leaving.

I'm leaving, I'm leaving, I'm leaving, I'm leaving, I'm
leaving, I'm leaving

I'm leaving, I'm leaving

Bury your head, bare your heart,
But I can't I can't I can't I can't.
Bury your head, bare your heart,
But I can't I can't I can't I can't.

Nothing can't stop this creeping fear.
Can't I can't I can't I can't
Nothing can't stop this creeping fear.
I can't I can't I can't
I'm leaving.

I'm leaving, I'm leaving, I'm leaving, I'm leaving, I'm
leaving, I'm leaving
I'm leaving, I'm leaving
