"A Love So Beautiful"

The summer sun looked down
On our love long ago
But in my heart I feel
The same old afterglow

A love so beautiful
In every way
A love so beautiful
We let it slip away

We were too young to understand
To ever know
That lovers drift apart
And that's the way love goes

A love so beautiful

A love so sweet
A love so beautiful
A love for you and me

And I when I think of you
I fall in love again
A love so beautiful
In every way

A love so beautiful
We let it slip away
A love so beautiful
In every way

A love so beautiful
We let it slip away
