Your lips they glisten cherry red
And I wanna taste it all
Your hips are shaking me to death
The way you shake it

But don't stop now
C'mon honey
Tell me how
How do you want it
Don't stop now
Cos' I need it
Don't stop
And take it all away

Baby baby baby
C'mon and show me what you got
Baby baby baby
C'mon and show me what you got
Don't stop honey
Right or wrong
And I'll drive you crazy
All night long
Tell me just what turns you on
What turns you on
What turns you on

Your lips they glisten soaking wet
And I wanna take it all
Your sweet skin all over my bed
I wanna penetrate it

But don't stop now
C'mon honey
Tell me how
How do you want it
Don't stop now
Cos' I need it
Don't stop
And take it all away

Baby baby baby
C'mon and show me what you got

Baby baby baby
C'mon and show me what you got
Don't stop honey
Right or wrong
And I'll drive you crazy
All night long
Tell me just what turns you on
What turns you on
What turns you on

Baby baby baby
C'mon and show me what you got
Baby baby baby
C'mon and show me what you got
Don't stop honey
Right or wrong
And I'll drive you crazy
All night long
Tell me just what turns you on
What turns you on
What turns you on
