Tears are falling
For the lonely one
Nobody listens
To a lonely song
We're up against the wind
Up against the mob
Sure feels like a battle
When you turn to the rock

There's only one sun shining
One way to go
Listen to the angels to the songs they sing
One sun shining
Shining
Shining

Heart is breaking
For the jewish boy
Sure know the feeling
When he jumps for joy
But he's not aging

He's in the prime of his life
Never fading
He's still as sharp as a knife

There's only one sun shining
One way to go
Listen to the angels to the songs they sing
One sun shining
Shining
Shining

There's only one sun shining
One way to go
Listen to the angels to the songs they sing
Open up your ears let it blow away your tears
One sun shining
Shining
Shining
