This is not okay  
For me to feel this way  
And I don't believe a single word you say

This is something rare  
That I don't wanna feel  
No not this way, not this way okay

Nothing in this life is free  
Slave untill they bury me  
I'm blinded, running from it  
Forever looking for a  
Taste that honey, chase that money,  
Keep on running away  
Till you die  
You are just a slave

Working for a wage  
That barely even pays  
And I'm losing sleep, every single day

I can't run away  
I'm bound by obligation, what can I say  
You can't reset this game

Nothing in this life is free  
Broken till they bury me  
I'm blinded, running from it  
Forever looking for a  
Taste that honey, chase that money,  
Keep on running away  
Till I die  
I am just a slave

This is not okay  
For me to feel this way  
And I don't believe a single word you  
Say

Nothing in this life is free  
Slave untill they bury me  
I'm blinded, running from it

Forever looking for a  
Taste that honey, chase that money,  
Keep on running away  
Till we die  
We are only slaves

Yeah C'mon c'mon c'mon  
Yeah
