Here we come once again  
Hides your loved ones, tel your friends  
Back and pissed with a vengeance  
Punx not dead with no regrets  
No mercy for the trendy ones  
Push them aside  
Punx alive in '99 believe me it never died

[Chorus:]

First generation - Started the attack  
Second generation - Brought it all back  
Third generation - Joined the attack  
Lost generation

They say it's all a phase don't worry it will pass  
The have come and gone so many times it won't ever  
last  
We've grown strong and stronger with every passing  
day  
Try to tell us what to do, there is no way  
Molotov cocktails burning flames the lost generation is  
back  
Cops lined up in riot gear, you'll never hold us back  
You tell us what to do, there is no way  
Punx alive in '99 believe me it never died

[Chorus]

75 till '84 Oi! Oi! first generation opened the door  
'84 till '95 second generation kept it alive  
'95 till present date, were coming back it's never to late  
Rebuild the punk rock scene, that's the whole master  
scheme  
Fuck the system that's what i scream  
Destroy everything and rebuild the American dream

Here we come once again  
Hides your loved ones, tel your friends  
Back and pissed with a vengeance  
Punx not dead with no regrets  
No mercy for the trendy ones

Push them aside  
Punx alive in '99 believe me it never died

[Chorus]
