How much can we take?
In our lives today?
Beneath all the pain,
There's something that eats us away
And we cry out,
But no one can seem to relate
They turn away

We don't care
'Cause no one listens
We feel today
Because no one listens
Why should we care?
Because no one listens

I won't sit and wait
For my life to change
Years are the same
Over and over again
We reach out
'Cause everyone's turning away
So do we

Hey!

We don't care
Because no one listens
We feel today
Because no one listens
Why should we care?
Because no one listens
We've been away
Because no one listens

How much can we take?
In our lives today?

Don't turn away

We don't care
Because no one listens

We feel today
Because no one listens
Why should we care?
Because no one listens
We've been away
Because no one listens
No one listens
No one listens
