Me and the boys are going out tonight
Just want some beer not looking for a fight
When we got to the bar everything was alright
The band was shitty but it's a Friday night
The boys are drinking crazy all night
The bouncers come running so we're outta sight

Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert

We're in the car on a brewsky run
The night ain't over we're gonna have some fun
Beers are open slugging down the suds
Red lights are flashing here come the duds
Hit the alley way turn off the lights
No pigs gonna bust us tonight

Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert

Me and the boys are going out tonight
Just want some beer not looking for a fight
When we got to the bar everything was alright
The band was shitty but it's a Friday night
The boys are drinking crazy all night
The bouncers come running so we're outta sight

Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert
Red Alert, Red Alert - It's a fucking Red Alert

It's a fucking red alert - The Punks are out to scream
and shout
It's a fucking red alert - We're gonna go out we're
gonna be heard
It's a fucking red alert - The Punks unite, They're gonna
be heard
It's a fucking red alert - We're gonna go out we're
gonna be loud
