Go!!

I have had enough, enough of the shit
No place to go, no shows to see
It is not now, how it used to be
There would always be a punk rock show to see
Need to fight, and unite
And bring it back to what it used to be
The shit i hear nowadays
It ain't punk rock and it will never be

[Chorus:]

Rebuild, rebuild, rebuild
Rebuild the punk movement
Rebuild, rebuild, rebuild
Rebuild the punk movement
Rebuild, rebuild, rebuild
Rebuild the punk movement
Rebuild, rebuild, rebuild
Rebuild the punk movement

The shit i hear nowadays
It ain't punk rock and it will never be
We need to fight, and unite
And bring it back to what it used to be

[Chorus]

When you were a kid you need some place
You need some place to find yourself
And see a show just like, just like it used to be
You got to fight, unite
And then you will learn
How it was to be a punk rock kid in the 80's
You got to fight, unite
And then you will learn how it is to be
A punk rock kid in the 1990's

Go!!

I have had enough, enough of the shit
No place to go, no shows to see
It is not now, how it used to be
There would always be a punk rock show to see
Need to fight, and unite

And bring it back to what it used to be
The shit i hear nowadays
It ain't punk rock and it will never be

[Chorus]

Rebuild the punk movement now!
