Terror and chaos  
A new world order  
Reign in fear  
The grip of clawed hands

Like a plague  
Sweeping across the land  
The human race  
Is erased like writings  
In the sand

A new leader  
Will rise from  
The ashes of the weak  
A reign of hate  
And sovereignty

Blood spill or not  
Hate they breed  
All human life  
Will seize to be

A scream for death  
A cry for pity  
Deaf is the ear  
Of those weak  
Terror! chaos!  
Reign! fear!

Terror and chaos  
The new world order  
They reign in fear  
With a taste for blood

Like a plague  
Sweeping across the land  
The human race  
Is erased like writings  
In the sand

Affiliated with the suffering  
They will dominate

Affiliated with the suffering  
They are here to stay  
Affiliated with the suffering  
Weak are they who pray  
Affiliated with the suffering  
There will be no second day!
