Going down the ozone lookin' for a new home
Trying to cope with the madness
Future crisis
Choked up i can't breathe
Loss of control
What the fuck's wrong with me
Paranoia
The levels are dropping
Something's dying within my coffin
Slave to my own enemy
Can't you see

I don't want to be me!
I just want to be free!

Eyes of unreality
Notion of consciousness
Got to get grounded
Before they come for us
Pose for another shot
My thoughts are broken
Impending loss is what i'm holding on to
Got to make my way to the fire that burns my flame
King to my own enemy
Can't you see!

I don't want to be me!
I just want to be free!

I just want to be free
