Inside an empty hole where we're both suffocating  
Talking to myself and find that I'm not listening  
Screaming  
Crying  
There's someone in my body  
Screaming

I see it all  
In time we'll fall  
I hear it all  
In time we'll fall  
I feel it all  
In in time we'll fall

I'm falling over  
I'm falling over you  
I'm falling over

Inside an empty hole where we're both suffocating  
Talking to myself and find that I'm not listening  
Screaming  
Crying

I see it all  
In time we'll fall  
I hear it all  
In time we'll fall  
I feel it all  
In in time we'll fall

In time we'll fall  
We're suffocating

I see it all  
In time we'll fall  
I hear it all  
In time we'll fall  
I feel it all  
In in time we'll fall  
I see it all  
In time we'll fall
