SLOWLY TURNING

So you say the sun
Always fades for you
I can pray for love
Then betray what's true
You know where I'm going
So you say that you know
In a world unknowing
So afraid that you're lost
We're slowly turning

Into nothing
We're slowly turning
We're so cold
So cold
We're so cold

I will take this time
Integrate my mind
To exist into
So you say that you know
And have faith for you
So afraid that you're lost

You know where I'm going
We're slowly turning
In a world that's turning

Into nothing
We're so cold
We're slowly turning
So cold

We're so cold
In my head
We're slowly turning
It's in my head
Into nothing

We're slowly turning
So cold

We're so cold
We're so cold
