"Do what thou wilt
shall be the whole of the law
there is no law
beyond do what thou wilt!"

glorify our doom
our eternal chaos
accept no retreat
obliterate society

frailty in creation
accept no retreat
perishing manking
out eternal chaos
descend into the absurd

imagination of the non-existent
predictable twilight of idols
enforce our heresy
SATANARCHIE!

the seeds of this world wither
captivities blood-red sunset
dawn of a new era
our SATANACHISM will infect
this fucking world
REVOLT!

our ravenous horde swallows the sun
to enlighten the undefiled
immaculate, satanic heart

Fuck Hell!
