From all quarters
Bloodcurdling screams
Fear escalates
Blind butcher
Wheezing exitus

Vorwärts!
Vorwärts!

Manifested morality
No way back
Heavy burning chaos
Blood against fire
Pride stuck in the mud

Toxic clouds obfuscate the sight

No mourning
Command has been achieved
Battle of material
Living in agony

Der Tod ist ein Meister aus unserem Reich

Vorwärts!
Vorwärts!

Collapsing eternity
Damaged religion
Spirit is crushed
Pure blasphemy
Senseless
