Look into these eyes
See the battlefields
Crimson red
With flames of passion

Pride, is but a word
All Guts and no Glory

Carpe Diem
Seize the day
General, general bullshit
Take an AK for yourself
You Fucking Liar (You Fucking Liar)
You Fucking Liar (You Fucking Liar)

[Chorus]
Pure
YouÂ're
I am your enemy
I am pure
I am your enemy
Save me
I am your enemy
I am pure origin
YouÂ're my enemy

Bite the Golden Bullet
Make your martyrs pay
The price of silver

On your head
Means nothing when we are dead

When WeÂ're Dead (When WeÂ're Dead)
When WeÂ're Dead (When WeÂ're Dead)

[Chorus]
Pure
YouÂ're
I am your enemy
I am pure
I am your enemy

Save me
I am your enemy
I am pure origin
You're my enemy

Feed our nation
With annihilation
Domination
And patriotic dictation

War is a pointless knife cutting through us all
War is a pointless knife cutting through us all
War is a pointless knife cutting through us all
