Can you feel it coming? Nothing as it seems.
Everything so perfectly wrong, so intoxicating like the
fury of the seas.
Let it crash just like the waters to my feet.
Iâ€™ve traded memories for wings, and Iâ€™m ready to
get high.
No more chains around my feet, liberated, I take to the
sky.
As this dose begins to peak Iâ€™m free.
You, you have a certain way of imposing ideals on me.
But, Iâ€™ve no more demons to slay, no more
unwelcome company.

There are no more chains restraining me from where I
want to be.
Iâ€™ve traded memories for wings and Iâ€™m free from all
your games.
You underestimated me.
Iâ€™m stronger than youâ€™ll ever be.
I hate the way that you impose yourself on me.
The weight upon my shoulders could have turned coal
to diamonds, but I set my demons free.
I let them reign.
