I never knew the day we met would be the day I died  
from this overwhelming need that burns inside.

Tragically, I had the world within my sights.

Little did I know, this was all in my mind.

Where did you go?

Where have you been?

What kind of world am I living in?

Please pull me from this hell I live.

Iâ€™m burning up, and youâ€™re over this.

In every pill I take, each night I lie awake, your face is  
all I fucking see.

Face buried in a pillow, all I see is the silhouette of you  
dancing in my dreams.

Just pull the plug and end what youâ€™ve begun.

This love is hell, my heart is dead.
