Listen down you little man  
I'm not the one who's tryin' to change you  
And if you come to understand it'll be OK here  
You need to change it  
You need to change it now

I'm not the one who's tryin' to be  
I'm not the one who's tryin' to be your enemy  
That's something you need to change  
I'm not the one who's tryin' to be your enemy  
That's something you need to change

Listen down you little man  
I'm not the one who's tryin' to change you  
And if you come to understand it'll be OK here  
You need to change it  
You need to change it

So listen down you little man  
I'm not the one who's tryin' to change you, yeah  
And if you come to understand it'll be OK here  
You need to change it  
You need to change it now

I'm not the one who's tryin' to be  
I'm not the one who's tryin' to be your enemy  
That's something you need to change  
I'm not the one that's tryin' to be your enemy, yeah  
That's something you need to change  
Yeah

I went in killing the sun I once won, I once won  
I went in killing the sun I once won, I once won  
I went in killing the sun I once won, I once won  
I went in killing the sun I once won, I once won

Yeah  
(Yeah)  
Yeah  
(Yeah)  
You need to change it

You need to change it  
You need to change it  
You need to change it

I'm not the one who's tryin' to be  
Your enemy  
I'm not the one who's tryin' to be  
Your enemy  
Your enemy

Your enemy
