Divine queen of evil
Sowing her seeds of hate
Mistress of pain
Diva Satanica – Master of temptation

Chorus:
Medusa – abuser – both beast and beauty
Seducer – she'll use you – bring you to your knees

Blinded by her infinite beauty
You are lured into the temple
The smell of incense burning
This carnal pleasure yearning
Bride of Satan

Transgress the rules of this world
Too late you realise
This love is ripping you apart

Chorus:
Medusa – abuser – both beast and beauty
Seducer – she'll use you – as fodder for her dreams

Drinking the blood
Eating the flesh
She's getting high on you
Watching you die gives her a thrill
– There is always more blood to spill –
