I Look Around and what do i see
so many time from the broken hearted
i wish that i had set them free
but i dont no how
Every ones so conserd with there lifes
There waste there life never getting Started
they find out what life is about and i dont no why

Carnt you see
The way thats its ment to be
Every one needs somebody
Lookin for a lovely heart
And let the fantasy in you
Come out and you And If
i need sombody lookin for
a place to be let the fantasy
in you come out in blue

i look around on a saturday night
im goin out to the broken Hearted
do you believe in the power of love
the way i do
tell me why your conserd with your life
you waste your time never getting started
do you find out what life is about
and i just dont no why

Carnt you see
The way thats its ment to be
Every one needs somebody
Lookin for a lovely heart
And let the fantasy in you
Come out and you And If
i need sombody lookin for
a place to be let the fantasy
in you come out in blue

Fantersys for the world

then my voice, my voice will be herd
so come on just take my hand

let me show you the way , the way love

Every one needs somebody
Lookin for a lovely heart
And let the fantasy in you
Come out and you And If
i need sombody lookin for
a place to be let the fantasy
in you come out in blue
