I Am Compassion
I Am Disdain
I Am Immortal
I'm What Remains
And What Brought Me Home
Yeah, What Brought Me Home
'cause That Day Was Coming And I'd Get To You
I'm Here To Take You
And Show You A Game
It's What Brought Me Home
Yeah, What Brought Me Home
And There Is No Pretending
As Our Time Is Ending
And We're Both Descending
Will I Make It Home?
Hit My Face With Disgrace And I'm Falling

Black Is Calling
Still, I'm Falling
As I'm Crawling
I Hate To Break This To You
I'm What Remains
And What Brought Me Home
Well I'm What Takes You Inside
And I'm What Shows You What's On Your Mind
Will I Make It Home
Hit My Face With Disgrace And I'm Falling
Black Is Calling
As I'm Falling
Still I'm Crawling
