Takes Me To A Sacred Place, that's Buried Deep Inside  
My Head  
Shelters Me From My Disgrace, While The Agonies  
Inside Are Fed  
Dear God, You Win  
I Am The Sin  
Dear God, I've Lost  
My Hope  
The Cost Of Living All These Years, Has Come And  
Pushed My Heart Away  
Soul Of Stone, Dust For Tears, The Agonies All Fade  
Away  
Dear God, You Win  
I Am The Sin  
Dear God, I've Lost  
My Hope  
Its Time To Wake Up, Time To Realize  
As We All Wake Up, Take The Truth From These Lies

I Say Dear God, I Am A Man, I Am Just One Man  
Can You Hear Me, Dear Dear God  
Can You Save Me, Dear Dear God  
I Am Just One Man, Just One Man, Doing All I Can  
I Say Dear God, I Am A Man, I Am Just One Man  
I Am A Man, i Am Just One Man  
I Am A Man, i Am Just One Man  
Dear God, You Win  
I Am The Sin  
Dear God  
Dear God  
Dear God  
Its Time To Wake Up, Time To Realize  
As We All Wake Up, Take The Truth From These Lies
