I'll Write This Message To Myself  
In Case I'll Listen  
I've Learned A Lesson For Myself  
About How I'm Living  
I've Tried, I've Tried To Get Away  
But Always End Up Broken  
I've Lied, I've Lied To My Own Face,  
Not Hearing What Was Spoken  
That's How I Feel, and I See It's Real  
That's How I Feel, And I See It's Real  
And If I Ever Sober Up I'll Look For What I'm Missing  
And Then I Start To Remember

And Then I Start To Surrender  
That's How I Feel, And I See It's Real  
That's How I Feel, And I See It's Real  
That's How I Feel,  
And I See It's Real that's How I Feel,  
And I See It's Real  
And If I Ever Sober Up I'll Look For What I'm Missing  
And Then I Start To Remember  
It Slows My Heart To Surrender  
That's How I Feel, And I See It's Real  
That's How I Feel, And I See It's Real
