Here I Am, Back Again  
That Dreaded Day From Your Past  
Lost In A Fantasy, Lived Your Own Reality  
Thought You Were Free Of Me  
Never Again To Be Seen  
All Along, You Were Wrong, All Along  
All Along, You Were Wrong, All Along  
I Bring You Pain  
Once Again, Here I Am  
That Ripped Out Page From Your Past  
Lost In A Fantasy, Live Your Own Reality  
All Along, You Were Wrong, All Along  
All Along, You Were Wrong, All Along

I Bring You Pain  
I Bring New Pain  
In The End, Make Amends  
And Live At Peace With Your Past  
Just One More Fantasy, No More Reality  
Gone  
All Along, You Were Wrong, All Along  
All Along, You Were Wrong, All Along  
I Bring You Pain  
I Bring You Pain  
I Bring You Pain  
I Bring New Pain  
All Along, You Were Wrong  
All Along, You Were Wrong
