So Take The Pain And Go  
There's No Way You Could Know  
One Look At Me Won't Reveal What I See, What I Feel  
I Know You Can't Tell That it's My Bitter Hell I Conceal  
You Don't Know What it's Like Being Me  
We're Not All The Same  
I Feel The Weight Of The World On My Shoulders  
I Feel The Weight  
I Feel The Weight  
I Feel The Weight Of The World On My Shoulders  
You Can't Reach My Soul  
I Can't Fill The Hole  
My Demons Unseen, I Can't Wipe The Slate Clean  
Can't Reveal  
In All Of My Haste, All My Time Was A Waste Of The  
Truth

You Don't Know What it's Like Being Me  
We're Not All The Same  
I Feel The Weight Of The World On My Shoulders  
I Feel The Weight  
I Feel The Weight  
I Feel The Weight Of The World On My Shoulders  
So Take The Pain And Go  
I Can't Fill The Hole  
I Feel The Weight  
I Feel The Weight  
I Feel The Weight Of The World On My Shoulders  
You Don't Know What it's Like Being Me  
We're Not All The Same  
I Feel The Weight Of The World On My Shoulders  
I Feel The Weight  
I Feel The Weight
