When You Said You'd Be Back
You Went
And You Left Me For Dead
My Friend
You Left Me Here Today
Today
No I Can't Love What Hurts Me
'cause I Can't Feel What Hurts
No I Can't Love What Hurts Me
No I Can't Feel What Hurts Me
When You Said You'd Be Back

You Went
And You Left Me For Dead
My Friend
You Left Me Here Today
Today
Now I Can't Love What Hurts Me
'cause I Can't Feel What Hurts
No I Can't Love What Hurts Me
No I Can't Feel What Hurts Me
