Time And Time Again, Feel I've Been Told
Just A Little Pain Is Good For The Soul
Well, I'm Standing In The Fire
All My Will Desire
Caught Between Two Middles
And Still Alone
Throughout All The Changes
Moves And Rearranges
Lost My Mind In Stages
And Still Alone
Lot That You Know
Lot That You Know
Never Thinking, Only Drinking In The Sorrow
No Tomorrow, it's Your End
I Don't Know

I Don't Know
But You Know
So In I Go Never Thinking it's Your End
I Can't Contain All This Fire
I Can't Control This Desire
But You Know
Lot That You Know
You Fall, I Crawl And Never Die
So Long, Say One Last Good-bye
Say One Last Good-bye
Say One Last Good-bye
I'll Be You...
But You Know
But You Know
But You Know
Lot That You Know
