[Intro]

You are the one who brings us here...
The reason of it all!
Unite the world and spread the word! [Low Growl]
That all of us are saints!

[Verse]

One is weak...
We are strong and we get stronger, night by night!
So come on in and unite with us,
and let your voice be heard!

[Chorus]

We are here forever...
Because, the blood of saints!
We unite the world...
We are the blood of saints!

[Verse]

Pump that fist and join the cause!
Together we will rule the world!
Big or small, boy or girl... [Low Growl]
We welcome everyone!

[Chorus]

We are here forever...
Because, the blood of saints!
We unite the world...
We are the blood of saints!

[Guitar Break]

[Chorus]

We are here forever...
Because, the blood of saints!
We unite the world...
We are the blood of saints!

[Chorus]

We are here forever... [Voice Static/Moan]
Because, the blood of saints! [Voice Static]

We unite the world...
We are the blood of saints!
