Now I'm lying here and wishin' you're beside me
I need that tender body close to mine
I wanna touch your face and tell you, I'm so
Sorry
And beg you to forgive me, one last time
I'll make it up to you again, I promise
Just tell me you'll give me, one more chance

Chorus:
Deep in my heart
Is an ocean of wanting you
Deep in my heart
Runs a river of my love
Deep in my heart
I am drowning in a sea of pain
Please let me tell you once again
I love you, deep in my heart

Soon be morning and I still can't get an answer
I've been callin' you forever now it seems
I keep wonderin' where you are, and how
You're feeling
While I'm driftin' in and out of broken dreams
You know I'm only half a man without you
So baby come on home to me tonight

Chorus:
Deep in my heart
Is an ocean of wanting you
Deep in my heart
Runs a river of my love
Deep in my heart
I am drowning in a sea of pain
Please let me tell you once again
I love you, deep in my heart
