"Dreams"

Visit "[Dreams](#)" on MotoLyrics.com

All this emptiness inside of me
Nothing left to believe
All that's left I am receiving in vain
There's nothing left to give

[CHORUS:]

I want to tell you about my dreams and...
You don't know the half of me
And there's nothing left to save me now
Nothing to save me now...

Give me something I can die for
All this hope and none for me
All that's left I am receiving in vain

There's nothing left to give
When there's nothing left to take

[Repeat CHORUS]

[Guitar Solo]

I want to tell you about my dreams and...
You don't know the half of me
[Repeat 3x]

And there's nothing left to save me now
Nothing to save me now
Nothing to save me now

There's nothing left to...
There's nothing to save me now
