

## Engel "In Splendour"

Visit "[In Splendour](#)" on [MotoLyrics.com](https://MotoLyrics.com)

With Sharpened Swords  
To Last Man Standing  
The Air Cathartic With Iron And Victory  
This Static Show Of Force  
Drenched In Paranoia  
In This World Lethargic  
You're Watching Us Peel

This Refreshing Stench Of Submission  
Enough To Weaken The Strongest Of Men  
Humiliated And Degraded  
For The Greater Good  
Swallowed Spit And Gagged On Blood  
Awakened In Sin

Bow Down  
Let All Your Fears Sink In  
Submit  
To Why We All Survive

Breathing Heavily  
Sweating And Blood-Clotting  
Building Character For Every Inch  
This Profound Diabolic Learning  
Is Invigorating As Your Cells They Flinch

Bow Down  
Let All Your Fears Sink In  
Submit  
To Why We All Survive
