JUST THE TWO OF US

WRITERS RALPH MacDONALD, WILLIAM SALTER, BILL WITHERS

I see the crystal raindrops fall And the beauty of it all
when the sun comes shining through To make those
rainbows in my mind When I think of you some time
And I want to spend some time with you CHORUS: Just
the two of us We can make it if we try Just the two of us
Just the two of us Building castles in the sky Just the two
of us You and I We look for love, no time for tears
Wasted waters's all that is And it don't make no flowers
grow Good things might come to those who wait Not to
those who wait to late We got to go for all we know
CHORUS I hear the crystal raindrops fall On the window
down the hall And it becomes the morning dew Darling,
when the morning comes And I see the morning sun I
want to be the one with you Just the two of us We can
make it if we try Just the two of us Just the two of us
Building big castles way on high Just the two of us You
and I Just the two of us Let's get together, baby Just the
two of us We can make it Just the two of us We can
make it Just the two of us Just the two of us we can
make it
