"The Bleeding"

Nothing like a fool and his gun
You've blown him away
But nobody won and no one believe
'Til the damage was done
And they all receive but did not deserve this

But you fall gray
And I won't let it this way

I'm never gonna open my heart again
The bleeding won't end
The bleeding won't end
There's not enough room there for love to grow,
anymore
Anymore

Anyone care to explain
The feeling you get
When you're going insane
Well think I could swim with this current today
Think I could swim with this current today

Did you fall gray?
Never won't live it this way

I'm never gonna open my heart again
The bleeding won't end
The bleeding won't end
There's not enough room there for love to grow,
anymore

Blown away
I can not find the reason for all of my hate
I can not find the reason for all of my pain
And I'm better off dead then living this way

I'm never gonna open my heart again
The bleeding won't end
The bleeding won't end
There's not enough room there for love to grow,
anymore

I'm never gonna open my
I'm never gonna open my heart again
There's not enough room there
There's not enough room there for love to grow [naxo]
