WRAP YOUR ARMS AROUND ME

WRITERS MIKE CHAPMAN, HOLLY KNIGHT

Wrap your arms around me... When you're so far away, At the end of each day Counting the moments till you fade away. Inside my soul, Under passion's control, Are feelings I can't find the words to explain Just like the first time I'm helpless again. Chorus: Wrap your arms around me Let your love surround me Make love to me now like never before. Wrap your arms around me From the day you found me You'll never be alone. The nights are so cold, With just your memory to hold I've tried to be strong, reaching out holding on. Alone in my bed, I cling to each word you said, Wanting you more everyday we're apart And each precious moment is safe in my heart. Chorus Take me in your arms Hold me You are the one, only you I want to be with you We belong together We were so close The nights are so cold Want to be with you Miss you anyway I want to be with you Hold me, love me, love me Just like the first time I'm helpless again... Chorus Wrap your arms around me And you'll never be alone Wrap your arms around me You'll never be alone No, you'll never be alone.
