I know that I've stayed away for too long
I've missed the sweet love you give me

no other woman could warm me inside

I need you much more
than I realized.

On the wings of a silverbird
I'm flying home to you

on the wings of a silverbird
I'll soon be holding you.
So wipe all those tears away
I'm coming home to stay

get ready my love
just look up above
for the wings of a silverbird.

You send me letters to help time go by

I call your name while I'm dreaming.
I need to feel you I long for your touch

I wanna tell you

I love you so much.

On the wings ...

I'll keep your picture
to kiss and say good night

but I wanna hold you forever.

So wipe all those tears away
I'm coming home to stay

get ready my love
just look up above
for the wings of a silverbird.

So wipe all those tears away
I'm coming home to stay

get ready my love
just look up above
for the wings of a silverbird.
