She's like the young white rabbit
With bloodshot eyes
Dreaming of another place
Inside it's mind

Well it's a lonely place
That houses the suffering
And feeds the pain

So what would you do
For 15 minutes of fame
Out on your own

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin
Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin

She's been chasing dragons
For endless nights
So afraid to live
And yet afraid to die

Well it's a lonely place
That houses the suffering
And feeds the pain

So what would you do
For 15 minutes of fame
Out on your own

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin
Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of

Sin

Another night
Just another night

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin

Shoot me full of sin
Shoot me full of

Some friends are out to get you
Some out to do you harm
They'll tie you off and shoot you full of
Sin

Some friends are out to get you
They're out to do you harm
They'll tie you off and shoot you full of
