Retribution is a pleasure
We won't beat your fucking hate
I've been looking around
Some people can't be found
It seem they are locked in a solitude

It's hard to get by
All the head full of doubt
To take possible positive attitude

Heart scarred on the top
All clawed is life

It's a fight to the top of the system son
So suck it up and be a man before your vision is dead

Retribution is a pleasure
We won't beat your fucking hate
All though the faces may change
The song remains the same

Is how you deal with the gratitude
Always get kicks in the blood when begin
And I will show all you folks how it is to lose

Heart scarred on the top
All clawed is life

It's a fight to the top of the system son
So suck it up and be a man before your vision is dead
Before it's dead

No, it's gone
No, no, no, no

I'm feeling right, I'm feeling fine
I know I'm the motherfucking suicide
I'm feeling right, I'm feeling fine
I know I'm the motherfucking suicide

Suck it, suck it up
Suck it, suck it up

Suck it, suck it up
Suck it, suck it, suck

One, two, one, two, three, four
