Last night, quietly, she walked through my mind  
As I lay searching for sleep  
Her soft hand reached out, she whispered my name  
As she brushed a tear from my cheek

And then those funny, familiar, forgotten feelings  
Start walkin' all over my mind

It's sad, so sad to watch love go bad  
But a true love would not have gone wrong  
And I'm just thankful for the good times we've had  
For without them, I could not go on

With all these funny, familiar, forgotten feelings  
Start walkin' all over my mind

I must go on, be strong  
Though a million teardrops may fall

Before these funny, familiar, forgotten feelings  
Stop walkin' all over my mind  
Before these funny, familiar, forgotten feelings  
Stop walkin' all over my mind
