You make me feel high on life  
When I'm with you I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
It makes me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling from taking over

If you could only say  
Why it feels so good when you move closer  
I think we're on our way  
I just get this feeling over and over  
Cause it's just you that I see nothing but you I feel so  
free  
I just get this feeling over and over

You make me feel high on life  
When I'm with you I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
It makes me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling from taking over

Right here in this crowded place  
I feel that we're the centre of it all  
Looking at you I'm amazed  
It seems I'll never fall

Cause it's just you that I seen nothing but you I feel so  
free  
I just get this feeling over and over

You make me feel high on life  
When I'm with you I can fly  
I wouldn't stop this feeling  
I wouldn't stop this feeling  
It makes me feel high on life  
Intensifies what's inside  
I wouldn't stop this feeling from taking over
