Stay beside me, stay beside me
Say you'll never leave me
How I love you, how I love you
How I need you, please believe me
In your arms, I've found my heaven
And your lips have done their part

Il mondo
Your love is all I need in my world
Let tender kisses plead in my world
How could I ever live without you
Il mondo
My heart belongs to you, so take it
And promise me you'll never break it
Say you'll stay here in my arms

Stay beside me, stay beside me

Say you'll never leave me
How I love you, how I love you
How I need you, please believe me
In your arms, I've found my heaven
And your lips have done their part

Il mondo
Your love is all I need in my world
Let tender kisses plead in my world
How could I ever live without you
Il mondo
My heart belongs to you, so take it
And promise me you'll never break it
Say you'll stay here in my arms
Here in my arms
