I'll bet you never thought  
There'd ever come a day you'd hear me say  
I'm leavin' you  
I've loved you all these many years  
And though my eyes are filled with tears  
I'm leavin' you

There was a time, not long ago  
When I forgave you, even though harsh words were  
spoken  
And my heart was broken  
Honey, I can't take no more  
I just can't let my poor heart break no more, no more

So here's my cab, and I'm all packed  
I'd like to say that I'll be back  
But that's not true  
I've made my mind up all the way  
And though it tears me up to say  
I'm leavin' you  
I've got to walk right out that door  
And not look back at you no more  
Cause if I did, I know what I would do  
I'd break right down, I'm just that way  
I'd never have the heart to say  
I'm leavin' you  
I've got to walk right out that door  
And no look back at you no more  
Cause if I did, I know what I'd do  
I'd break right down, I'm just that way  
I'd never have the heart to say  
I'm leavin' you  
You know I would  
I'd break right down, I'm just that way  
I'd never have the heart to say  
I'm leavin' you  
I'm leavin' you
