JUST THE TWO OF US

WRITERS RALPH MacDONALD, WILLIAM SALTER, BILL WITHERS

I see the crystal raindrops fall And the beauty of it all  
when the sun comes shining through To make those  
rainbows in my mind When I think of you some time  
And I want to spend some time with you CHORUS: Just  
the two of us We can make it if we try Just the two of us  
Just the two of us Building castles in the sky Just the two  
of us You and I We look for love, no time for tears  
Wasted waters's all that is And it don't make no flowers  
grow Good things might come to those who wait Not to  
those who wait to late We got to go for all we know  
CHORUS I hear the crystal raindrops fall On the window  
down the hall And it becomes the morning dew Darling,  
when the morning comes And I see the morning sun I  
want to be the one with you Just the two of us We can  
make it if we try Just the two of us Just the two of us  
Building big castles way on high Just the two of us You  
and I Just the two of us Let's get together, baby Just the  
two of us We can make it Just the two of us We can  
make it Just the two of us Just the two of us we can  
make it
