LOVE STORY (WHERE DO I BEGIN)
WRITERS FRANCIS LAI, CARL SIGMAN

Where do I begin To tell the story of how great a love
can be The sweet love story that is older than the sea
The simple truth about the love she brings to me Where
do I start With her first hello She gave new meaning to
this empty world of mine There'd never be another
love, another time She came into my life and made the
living fine She fills my heart She fills my heart with very
special things With angels' songs , with wild
imaginings She fills my soul with so much love That
anywhere I go I'm never lonely With her around, who
could be lonely I reach for her hand-it's always there
How long does it last Can love be measured by the
hours in a day I have no answers now but this much I
can say I know I'll need her till the stars all burn away
And she'll be there How long does it last Can love be
measured by the hours in a day I have no answers now
but this much I can say I know I'll need her till the stars
all burn away And she'll be there
