LOVE STORY (WHERE DO I BEGIN)  
WRITERS FRANCIS LAI, CARL SIGMAN

Where do I begin To tell the story of how great a love  
can be The sweet love story that is older than the sea  
The simple truth about the love she brings to me Where  
do I start With her first hello She gave new meaning to  
this empty world of mine There'd never be another  
love, another time She came into my life and made the  
living fine She fills my heart She fills my heart with very  
special things With angels' songs , with wild  
imaginings She fills my soul with so much love That  
anywhere I go I'm never lonely With her around, who  
could be lonely I reach for her hand-it's always there  
How long does it last Can love be measured by the  
hours in a day I have no answers now but this much I  
can say I know I'll need her till the stars all burn away  
And she'll be there How long does it last Can love be  
measured by the hours in a day I have no answers now  
but this much I can say I know I'll need her till the stars  
all burn away And she'll be there
