Never thought I see the day
Never thought I heard you say
Baby, it's over I just can't take it
Don't know what I'm gonna do
Only wanna be with you
Now you pretending I just can't fake it
Lying here on my own - I'm trying
Looking for some way to stop it dying
I'm only a lonely child
Inside a lonely man
Lost in an endless night
Drawing in tears
Only a lonely child
Inside a lonely man
Caught in the morning light
Fighting the fears
Walking down a country lane
Getting cold in the rain
Darling I can't stop remembering
When I took your photograph
You never used to wanna laugh

But I think your smile is the sweetest thing

Lying here all on my own I'm trying

Looking for some way to stop it dying
