Senorita Bonita

1. You have changed my life in many different ways
and suddenly I realise
Little things you say and do give me reasons to survive
Feelings that I have are something new to me I've
never
felt this way before
Need your loving every day; need your loving more
* Senorita Bonita, my special lady from Mexico
Senorita Bonita , my love for you seems to grow and
grow
And when I hold you I can't let go, oh Senorita! I love

you forever Senorita Bonita you'll always be mine

2. Anywhere I go and anything I do I wanna have you
close
to me
Sharing every single day, that's the way its gonna be
I never realised I needed anyone, but then your love
came
shining through
Now I need you all the time; gonna spend my life with
you

(Repeat*)
