Verse 1

On A Train
Somewhere, On The Outskirts Of
Tuscany
Just As The Sun Was Going Down!
Glass Of Wine
In Your Hand, Starring At The Scenery
Just Glade To Be Nowhere Bound.

It's Just Another Place You Like To Close
Your Eyes And Go
Sitting In The Kitchen Over Coffee
Getting Cold

Chores

Maybe Someday You'll Get Tired Of
Dreaming.
And Take That One Way, And Take It Out
Of Town.
You Feel Like You Got Caught Up In The
Motion.
Before Life Passes You By.
Better Make That Someday Tonight

Verse 2

With A Young, Pretty Girl
With The, Fire Down In Her Soul.
The One That's Not Afraid To Live.
Don't Talk Yourself Right Out Of It The Way You
Always Do
You Say You Can't Just Up And Go
But Girl That's No Excuse.

Chores

Maybe Someday You'll Get Tired Of
Dreaming.
And Take That One Way, And Take It Out
Of Town.

You Feel Like You Got Caught Up In The
Motion.
Before Life Passes You By.
Better Make That Someday Tonight
Better Make That Someday Tonight

Guitar Solo

Chores

Maybe Someday You'll Get Tired Of
Dreaming.
And Take That One Way, And Take It Out
Of Town.
You Feel Like You Got Caught Up In The
Motion.
Before Life Passes You By.
Better Make That Someday Tonight
Better Make That Someday Tonight

Oh
With A Young And Petty Girl
With The Fire Down In Her Soul
Someday, Someday Tonight
