WOMAN WOMAN

(Jim Glaser - Jimmy Payne)

Ã,Â« Ã,Â© '67 Ensign Music, BMI Ã,Â»

Woman oh woman have you got cheating on your mind
on your mind

There's something wrong between us that your
laughter cannot hide

And you're afraid to let your eyes meet mine

And lately when I love you I know you're not satisfied

Woman oh tell me woman have you got cheating on
your mind on your mind

I've seen the way men look at you when they think I
don't see

And it hurts to have them think that you're that kind

But it's knowing that you're looking back that's really
killing me

Oh woman oh tell me woman have you got cheating on
your mind on your mind

A woman wears a certain look when she is on the move
And a man can always tell what's on her mind

I hate to have to say it but that look's all over you

Oh woman oh tell me woman have you got cheating on
your mind

Oh woman oh tell me woman have you got cheating on
your mind
